# NURUL AMIRA IZZATI BINTI ROSLI

Information Systems Engineering

Fresh Graduate

## ABOUT ME

Currently participating in the Train & Place Upskilling program in Software Engineering program for 1 month. Effectively used my expertise while working as a five-month intern at LYF Sales & Service as a Computer Specialist Assistant. Possessing strong problem-solving and communication abilities as well as experience working in a face-to-face support setting. Eager to work toward the company's goal while contributing my extraordinary skills to a career in Information Technology.

## WORK EXPERIENCE

March 2023 - July 2023

### LYF Sales & Service (Internship)

Computer Specialist Assistant

- Performed a hard disk/SSD test using HD Tune Pro.
- Upgraded 2 to 4 SSDs to the laptop and CPU per day.
- Made a video about the services provided.
- Installed a new CPU.
- Changed the laptop's battery.
- Served 10 customers per day and aided them with any issues relating to the laptops, CPUs, and printers problem.
- Installed and formatted Windows 10 and 11 to the laptops and CPUs.
- Installed software.
- Serviced laptops, CPUs, and printers.
